word documents or pdf

 Submitted by Leanna on Tue, 03/13/2012 - 14:18

Hi! Would it be possible to allow for word documents and/or pdf files to be uploaded to the forum? Thank you!

Ah - it seems that the

Ah - it seems that the framework is there but that perhaps the 100 byte max from the test server is still around.

I would attach a Google Doc link until it gets straightened out.
